**Recreational Classes & Open to ALL Classes:** These classes are open to ALL dancers no matter the experience. We have an age guideline just for a general rule of thumb but students should always be placed by ability/experience NOT age. The best chance for success and growth is to be in a class that is not too easy nor too challenging and that will allow the students confidence to grow which will in turn develop their skills much quicker and stronger.

**Pre-Competition:** These classes are to prepare students for admittance onto our award winning Premier Dance Competition Team. This will also be replacing what we have previously called Performance Company. Each student will be given a schedule that is geared specifically to their needs. Just because you see "Required for Pre-Comp Team" does NOT mean that you will be taking every single one of those classes. This program is to help the students and the teachers to find what each dancer's strengths and needs are and where best to focus their instruction each week. These students will work with our competition students throughout the season. They will also (just like with our previous Performance Company) be able to perform locally and will also have the opportunity to experience 1 local competition during the season.

**Competition Team:** Our competition team is growing bigger and stronger every season and we would LOVE for as many new students to be a part of that as possible. There are requirements however to make it onto the team. If you are interested in joining our competition team for the 2016-2017 season then please schedule a meeting with Miss Jaye & Miss Skylar to go over all the details of what is involved.

**For our returning competition dancers** – you will receive your own specific schedule of which classes you will need to take next season based on what level you are being placed in.

Our competition team parents will be receiving a separate email with more detailed info regarding your fall schedule.

#### Tuition Fees

30 minute class = 32.00 per month

45 minute class = 47.00 per month

60 minute class = 55.00 per month

Payments are based off an average of 3-5 classes per month

*(some will have more and some will have less)*

#### DISCOUNT PROGRAMS

2 or more siblings or classes = 10% off monthly total

**TRI-MONTHLY payments** = 10% off your 3 month total
